

Respite breaks at Claridge House.

Thanks to a grant from The Community Foundation, Crossroads Care Surrey in partnership with Claridge House are able to offer Carers an overnight stay at our rural retreat for a vastly reduced price.

In order to qualify for this bursary you must be a full time Carer, caring for a friend or family member who cannot be left alone. A trained carer support worker will stay in your home for the duration of your break, providing all the care your loved one needs while you are away.

Please look at our website www.claridgehousequaker.org.uk where you can see the programme and find out about our courses, food and location. You can also contact us on 01342-832-150 if you have any queries about individual activities including Tai Chi, Meditation, Yoga, guided walks, art / drawing or creative writing. **All extra activities are priced individually and are not included in the bursaries.**

We have a wonderful team who prepare fresh, seasonal, organic vegetarian food on a daily basis. We also offer a delicious continental breakfast buffet as well as nutritious and well balanced lunches and dinners available to all our guests.

We would be delighted to welcome you.
